WebBeds add Vacancéole Group France to hotel portfolio

- 37 Vacancéole Group properties added throughout regional France
- Vacancéole 2 star, 3 star and 4 star properties expand WebBeds portfolio that caters for families and leisure travellers
- Vacancéole Group engaged with environmental issues & sustainable tourism

WebBeds, the world's second largest and fastest-growing B2B bedbank (comprised of the Sunhotels, Totalstay, and Destinations of the World trading platforms in Europe) has announced a partnership with Vacancéole Group France.

The partnership provides WebBeds' customers with access to 37 Vacancéole properties, ranging from 2 star to 4 star, located throughout regional France. WebBeds strong French client base will benefit from this addition, as will their global network of 44,000+ distribution partners.

Vacancéole properties cater primarily to a domestic audience of families and leisure travellers and have strong principles grounded in sustainable development and environmental issues. 24 properties are labelled "Clef Verte" and they have also built a strong partnership with the refuge LPO (League for the protection of birds).

Anders Kjong, WebBeds President Commercial Region Europe, said in a statement, "WebBeds is delighted to partner with Vacancéole Group France. Vacancéole Group have 37 hotels and residences strategically positioned in Regional France allowing us to further develop inter domestic travel. Our clients will benefit from a wider variety of hotels and accommodation that strengthen our portfolio beyond the highly popular French city destinations."

Ends.

About WebBeds

Launched in 2013, WebBeds is the world's fastest growing B2B travel intermediary, or 'bedbank', providing accommodation and ground product distribution services to the travel industry. We source content from travel suppliers, aggregate and merchandise that content in the WebBeds platform, then distribute it to our global network of travel trade clients, who sell to the travelling public.

Our clients – online travel agencies, retail travel agents, corporate travel managers, tour operators, wholesalers, tourism boards, super apps, DMC's, group providers, airlines and more – access the company's huge global inventory of more than 368,000 hotels (comprising 30,000+ direct contracts, 70+ integrated third-party providers and 60+ major hotel chains) through market-leading, trade-only booking websites or via simple and seamless API connectivity. In addition to hotel product, clients can also book over 5,500 transfer services in 1,200 destinations along with thousands of guided excursions and tickets for attractions.

Our supplier partners – global hotel chains, independent hotels, apartments, resorts, attractions, transfer and sightseeing companies and more – benefit from our global distribution network of over 44,000 travel companies in more than 145 source markets and are supported by a local dedicated point of contact focused on ensuring we deliver value, choice, expertise and an unrivalled level of service.

WebBeds operates global coverage through four geographic regions – Europe, Asia Pacific, MEA (Middle East and Africa) and America - with over 1,600 travel professionals working in 50 offices worldwide. WebBeds also operates specialist brands JacTravel DMC and Umrah Holidays International. JacTravel DMC provides tailor-made travel arrangements for FIT and groups of all sizes covering leisure, special interest and education. Umrah Holidays International is a genuine pioneer, providing online pilgrimage travel services to travel agencies worldwide.
