06 July 2022

WebBeds increases distribution of transfer portfolio through integration with Travel Compositor.

- WebBeds' transfer portfolio includes Private Cars, Mini Van, Mini Bus, Shuttle Bus, Shuttle Bus Express
- 15,667 transfer products offered in 1,190 destinations worldwide
- Travel Compositor work with 150+ leading operators and 20,000 Travel Agencies in 40+ markets

WebBeds, the world's fastest-growing B2B travel intermediary, providing accommodation and ground product distribution services to the travel industry, has signed an agreement to supply its airport-hotel-airport transfer product to Travel Compositor.

Connected last week, the new integration means WebBeds provides 15,667 different transfer products - including Private Cars (Standard and Premium), Mini Van, Mini Bus, Shuttle Bus, Shuttle Bus Express - in 1,190 destinations worldwide to Travel Compositor via an API connection.

Spain-based Travel Compositor offers the best real-time dynamic packaging solution in the world, empowering 150+ leading operators and 20,000 Travel Agencies in 40+ markets. The breadth and variety of transfer options supplied by WebBeds provides Travel Compositor clients with access to products covering the vast array of service levels and budgets required by global travellers.

Markus Baum, Global VP Destination Services, said "Currently we are selling the majority of our transfers through an API connection and since February 2022 we have seen a significant increase versus pre-pandemic. This new integration with Travel Compositor is exciting as their global distribution network of travel sellers provides us with the opportunity to accelerate our current growth trajectory."

Ends.

About WebBeds

Launched in 2013, WebBeds is the world's fastest growing B2B travel intermediary, or 'bedbank', providing accommodation and ground product distribution services to the travel industry. It sources content from travel suppliers, aggregates and merchandises that content in the WebBeds platform, then distributes it to its global network of travel trade clients, who sell to the travelling public.

Clients – online travel agencies, retail travel agents, corporate travel managers, tour operators, wholesalers, tourism boards, super apps, DMC's, group providers, airlines and more – access the company's huge global inventory of more than 368,000 hotels (comprising 30,000+ direct contracts, 70+ integrated third-party providers and 60+ major hotel chains) through market-leading, trade-only booking websites or via simple and seamless API connectivity. In addition to hotel product, clients can also book over 15,667 transfer services in 1,190 destinations along with thousands of guided excursions and tickets for attractions.

Supplier partners – global hotel chains, independent hotels, apartments, resorts, attractions, transfer and sightseeing companies and more – benefit from our global distribution network of over 44,000 travel companies in more than 145 source markets and are supported by a local dedicated point of contact focused on ensuring WebBeds delivers value, choice, expertise and an unrivalled level of service.

WebBeds operates globally through four geographic regions – Europe, Asia Pacific, MEA (Middle East and Africa) and Americas - with over 1,600 travel professionals working in 50 offices worldwide. WebBeds also operates specialist brands JacTravel DMC and Umrah Holidays International. JacTravel DMC provides tailor-made travel arrangements for offline FIT and groups traveling to the UK, Ireland and key mainland European destinations to the international travel trade. Umrah Holidays International is a genuine pioneer, providing online pilgrimage travel services to travel agencies worldwide.
