### What will you do on your journey with WebBeds?

---

We are seeking a skilled Technical Analyst to join our team and play a key role in our business transformation initiatives. In collaboration with the Transformation Architect, Transformation Directors and cross-functional teams, you will be responsible for analyzing, designing, and implementing technical solutions that support and drive our end-to-end transformation journey.

## Key elements to this role include, but are not limited to:

---

- Conduct thorough technical and data analysis of existing systems and technologies to identify opportunities for potential improvements.
- Design and implement technical and data solutions that align with the overall business transformation strategy.
- Work closely with the Technology team to ensure the successful integration of technology solutions into existing business processes.
- Provide technical expertise and support during the implementation of new processes, systems, and technologies.
- Collaborate with data analysts to ensure the availability and accuracy of data required for transformation initiatives.
- Contribute to the development and execution of a comprehensive business transformation strategy from a technical perspective.
- Monitor and assess the performance of technical solutions, making recommendations for optimization and improvement.
- Participate in change management processes, ensuring smooth adoption of new technical solutions across the organization.

## The skills we would love to see in your suitcase!

---

- Proven experience as a Technical Analyst or similar role, with a focus on digital transformation.
- Strong analytical and problem-solving skills, with the ability to understand complex technical requirements.
- Experience in designing and implementing technical solutions that support business processes.
- Knowledge of data analysis and data management principles.
- Knowledge in data visualization strategies and tools (i.e. Power BI, Tableau, etc)
- Familiarity with a data integration tools and enterprise software.
- Ability to collaborate effectively with cross-functional teams and stakeholders.
- Excellent communication skills, both verbal and written, with the ability to convey technical concepts to non-technical audiences.
- Detail-oriented with a commitment to ensuring the accuracy and reliability of technical solutions.
- Proactive and adaptable, with a willingness to learn new technologies and approaches.

## Why choose us as your next destination?

---

We are super proud of our dedicated team of friendly, energetic & passionate professionals. Our people are key to the success of our business & everybody at WebBeds has their own unique role to play as we continue to drive the company forward.

Over 50 different languages are spoken by our workforce, but whether working from offices in Dubai or London or out in the field in Johannesburg or Buenos Aires, we all share the common goal to take pride in what we do & to deliver our partners with unbeatable service & support.

- International highly skilled group of experts from all around the globe 🌍
- Dynamic environment with the chance to grow, influence & impact change ⚡
- Disruptive, fast-growing market leader within travel & endless possibilities 📁
- Culture built on collaboration 🤝 empowerment and innovation 💡
